

KOINESÚNĒ
REPORTER INTERNSHIP
JOB DESCRIPTION | SPRING 2023 | SUMMER 2023 | FALL 2023

ABOUT KOINESÚNĒ

The Crossroad is a collection of resources that invites leaders to make choices that align with their true character and influence the world around them. One of those resources, [Koinesúnē](#) is a new digital magazine meant to serve as a hub for the church movement, a means to explore and discuss church structure and the effectiveness of The Body of Christ.

The purpose of Koinesúnē is to help fan the flames of a great awakening, where Christian institutions realign with the purpose of church, the heart of The Body of Christ is elevated, more people come to faith, and the human spirit grows in service to God and one another. We hope to spend more time covering what is working than what is not working. Our goal is to celebrate the pursuit of authentic discipleship, wherever it is found.

We are seeking reporters to pick up story pitches and write regularly for Koinesúnē's digital publication.

Although we are offering different internship opportunities for each semester, you are not limited to only writing for us during those times, and are welcome to freelance at any time.
